### Awaken Christian Academy Senior Off-Campus Lunch Permission Form

Students at Awaken Christian Academy (ACA) are expected to demonstrate a certain level of maturity and responsibility. ACA allows senior students, under certain conditions, to leave campus during their lunch period. This privilege applies to Monday-Friday, which requires a student to sign in and out at the front desk. One of those conditions is parental consent; we urge your careful consideration of the matter. Only those students having a signed permission slip on file will be allowed to leave campus. By giving parental consent, parents agree to hold harmless ACA and anyone affiliated with ACA for any liability arising while a senior student is off campus for lunch.

The privilege of leaving campus for lunch is reserved for students who are classified as seniors and meet the following criteria per the Code of Conduct:

- 1. Students must have a free period/study hall either just before or just after lunch.**
- A permission form must be filled out, signed by the parent and student, and then returned to the high school office.
- Seniors must sign out at the high school office when leaving campus and sign back in when returning to campus.
- In the event of a scheduled school activity, seniors will not be allowed to have lunch off campus.
- A student may not bring food back to class. All food must be eaten at their scheduled lunch time.
- Any violation of the Senior Off-Campus Lunch Permission Policy will result in loss of off-campus lunch privileges for 2 weeks.  
Example:
  - Going off campus with underclassmen
  - Returning late to class after lunch more than (3) times in a quarter
  - Leaving campus without permission at times other than Monday-Friday lunch
  - Suspension
  - Failing core courses per 3 week grading period

My child, \_\_\_\_\_, has my permission to go off campus during their assigned lunch period as per the Code of Conduct.
